

FRIENDS OF TRENANCE COTTAGES NEWSLETTER UPDATE, DECEMBER 2007

The bid for a Million Pounds from the Government's Community Assets Fund has been well and truly lodged with the right department and we are continuing our dialogue with the assessors. Our application will be competing with many other projects throughout Britain, but we believe we have a strong case.

The emphasis is on a sustainable scheme to provide a multi-purpose venue for the benefit of all sections of the community, from artists and craftspeople to organisations which need meeting space, not forgetting the technical facilities which will provide computer, printing and other needs, with appropriate training as required. In keeping with the ambience of the building, heritage displays will be included, with the help and expertise of our friends in the Newquay Old Cornwall Society.

We have made it clear that the Friends of Trenance Cottages will continue to organise popular events in Trenance Gardens, using the cottages as our office and a focal point for all we do.

In short, we see the restored Trenance Cottages, with extended space to the rear, as being an anchor of community identity.

We will keep you in touch with the progress of our exciting bid. Meanwhile, may we wish all our Members and supporters a Very Happy Christmas!

Our next meeting will be at 7pm in the Heron Tennis Centre on Tuesday 8th January, 2008. Please come.
